Title	Description/ Rubric connection	Dates offered/ Times	Link to PD
Beyond Google 1 Kahoot and Socrative 6-12	Socrative and Kahoot empower you to engage and assess your students through an interactive fun way. Both allow you to collect and report data. 3.3 3.4	9/29/16 3:45-5:15	https://goo.gl/forms/7lnoNMgKfdtbng3Z2
Beyond Google 3-5	In this PD participants will be introduced to Google Apps for Education that are appropriate for 3-5 teachers and students. These apps can be used individually, in small group or in whole group settings. Also, participants will have time to explore and practice with these new apps so they feel confident to use them with their students right away! #beginner #intermediate Rubric Connections: 1.3, 2.3c, 3.3	9/21/16 3:15-4:5:15	https://goo.gl/forms/nceQJx9PBmYm1Rbp2
Beyond Google 2 Padlet and screencastify 6-12	Screencastify and Padlet are ways to capture what your students are thinking. Screencastify is a chrome extension which allows your students to capture their thinking. Padlet is a way to jumpstart a lesson, brainstorm or show what your students are thinking. 1.3, 2.3c, 3.3	10/6/16 3:45-5:15	https://goo.gl/forms/zkhALk1u0t6szGmp1

Tech Playground k-5	An interactive session where you will learn the difference between apps and extensions. Learn some of our favorites. Be prepared to share some of your favorites and how you use them. 1.3, 2.3c, 3.3	10/4/16 3:35-4:45	https://goo.gl/forms/MfWQp3vbLNLjwjB32
Tech Playground 6-12	An interactive session where you will learn the difference between apps and extensions. Learn some of our favorites. Be prepared to share some of your favorites and how you use them. 1.3, 2.3c, 3.3	10/13/16 3:45-4:45	https://goo.gl/forms/MfWQp3vbLNLjwjB32
Writing for the CCSS 6-12	Participants will gain familiarity with tools specific to Google Docs. Participants will learn valuable shortcuts and skills to aid in the transition to digital based writing as well as adhering to the writing demands of CCSS curriculum such as; peer collaboration, digital conferencing, research shortcuts, and customizable keyboard shortcuts to save your fingers from typing all those comments.	10/27/16 3:45-5:15	https://goo.gl/forms/tdtAtjqWFM1gvc1s2

	Participants will have ample time to explore their newfound
